The reply shall be accompanied by a copy thereof.

42. On the day fixed for the hearing of the application or on any other day to which the hearing may be adjourned, the Bench shall, after perusing the application, the reply and the record, try to arrive from the parties an agreed statement of facts and the questions involved.

43. If the parties agree to the questions, the Bench shall consider whether such questions give rise to any one of the questions of law or not and whether the question is one of law or not.

44. If the Bench considers that the question agreed upon by the parties is a question of law and does not give rise to any one of the questions of law, the Bench shall dismiss the appeal and the Bench shall send the records and it to the headquarters of the Tribunal.

45. Where the parties do not agree, the Bench shall decide whether the question formulated by the applicant does arise out of the appellate order and whether it is a question of law. If the Bench considers that the question formulated by the applicant does arise out of the appellate order and is a question of law, it shall state in its decision the reasons and together with the Bench and it to the headquarters of the Tribunal.

46. Where the Bench is of the opinion that the question formulated by the applicant does not arise out of the appellate order or is not one of law, the Bench shall dismiss the application.

Office of the Commissioner for Government Examinations,
Madras, 11th February 1911.F. H. CHARTERIS,
Secretary.

Madras Chamber Report for the month of December 1916.

In the Madras commodity markets, the rates of prices of foodstuffs generally showed a decline by a fraction 2 points in 1916, whilst the rates for the numerous products group defined by a fraction 2 points in 50, the rates of wholesale prices of all commodities rose by 2 points to 100. The cotton market continued firm and the bulk of the month and continued thereafter. There was a further improvement in the prices of mixed cow hides and tanned goat and sheep skins. The groundnut market was dull and prices softened. The paddy and rice market was active only in the month, but with the arrival of the new crop prices declined slightly though transactions were on a general scale. The oil and ghee market was steady as the white. Transference in sugar and molasses continued unsatisfactorily at the beginning of the month, but softened later due to a shortening in demand. Some to effect of the new crop, the Calcutta sugar market dropped in the beginning, but for India demand improved the rate of the market which stood steady. The sugar market moved at towards the end of the month due to arrival of the new crop and decline in India demand. The sugar market opened weak, but recovered later as a result of improved demand from American markets and prices recovered steadily, the market showing active. The demand for locally manufactured oils and chemicals was normal.

Grain and Rice.

On account of the continuance of hot conditions in the granular market, quotations declined further during the month. The average wholesale price per catty of 50 lb. of standard varieties at the main producing centres were as follows:—

29th November 1916—Rs. 12-10-0 to Rs. 12-7-0
29th December 1916—Rs. 10-4-0 to Rs. 10-4-0

Food and Rice.

The market was active with a firm undertone at the beginning of the month. Owing to improved growth of new stocks, prices declined slightly. Transactions were on a general scale. The average wholesale price of standard varieties at the main producing centres were as follows:—

29th November 1916—Rs. 5-4-0 to Rs. 5-4-0
29th December 1916—Rs. 4-15-0 to Rs. 4-4-0;
net, Rs. 4-4-0 to Rs. 4-14-0.

Indian rice per bag of 100 lb.

29th November 1916—Rs. 8-6-0 to Rs. 10-12-0
29th December 1916—Rs. 10-12-0 to Rs. 10-12-0;
net, Rs. 8-4-0 to Rs. 8-4-0.

Import rice, net, Indian 4-1, per bag of 100 lb.

29th November 1916—Rs. 12-10-0, Madras.
29th December 1916—Rs. 12-10-0, Madras.

Calcutta rice (Japan), India, per bag of 100 lb.

29th November 1916—Rs. 10-4-0, Madras.
29th December 1916—Rs. 10-12-0, Madras.

Coffee and Cocoa.

The market for Malabar coffee was maintained firm throughout the month owing to poor arrivals and high Indian demand. The market for Mysore coffee showed slightly due to heavy arrivals, but closed steady as a result of heavy buying by Arabs. Colaba standard prices were with little business passing. Mysore coffee had a ready market and dealings in all forms of a satisfactory nature early in the month, but prices showed a declining trend away later owing to heavy stocks and poorer demand and closed lower as before.

Cocoa.

Transactions.—The little business transacted was by South India M/Fs at prices averaging about Rs. 240 per 100 lb. Interest by South India M/Fs fell off as cheaper Borneo and other types became available. There were still few stocks of various grades at the end of the month.

Calcutta.—Business was on a very moderate scale, South India M/Fs being the only buyers, as cheaper Borneo and other types became available. Prices for standard varieties showed a declining trend from Rs. 240 down to Rs. 240 according to quality. There were still few stocks of various grades at the end of the month.

Sugar.

The Madras market opened weak although stocks of dry sugar were not high as dealers were anxious to clear their stocks of dry and cheap sugar at the best rates obtainable before any relaxation for port markets was announced by the Government. The market was better later due to increased demand from up-country markets for dry sugar and small stocks. Prices recovered steadily. As supplies of dry sugar were not sufficient to meet the demand, holders of cheap sugar were able to dispose of their stock and cheap sugar rose to good prices. The market closed active and fair business passed at higher levels due to shortage of stock and its sympathy with the activities of speculators in the North. The price of sugar in the Madras market was Rs. 24-10-0 to Rs. 25-10-0 at the end of the month as compared with Rs. 12-10-0 to Rs. 17 at the end of November. The first Cane harvest opened dull and depressed, but the market improved on receipt of information that the port debate to Bombay had been withdrawn and closed firm and active with a steady upward tendency in sympathy with European prices. Demand also improved and was satisfactory. Other South India markets closed firm with good demand.

Tobacco and Rice Acids.

Rice tanned goat and sheep skins maintained the slight improvement noticed in December, both as regards price and quantity booked. As exports rose, prices for shipment to America, where the bulk of the raw skins business has been put through, were just a shade weaker than in November and steady in the face that dealers, who had bought largely in the previous month at low rates, were holding of and prices in December were those quoted by buyers in America. The raw skin market in London was dull somewhat depressed with odd sales being made here and there.

CONTENTS

Madras Proclamation of Births and Deaths (Amendment) Bill, 1941

The following Bill, together with the Statement of Objects and Reasons, is published for the purpose of eliciting opinion. Notice is hereby given that the said Bill will be considered on or after the 19th April 1941 and that any objection or suggestion which may be received with respect thereto before the said date by the Secretary to the Government of Madras in the Education and Public Health Department, will be considered.

A Bill further to amend the Madras Registration of Births and Deaths Act, 1896.

Madras Act
3 of 1941.

WHEREAS it is expedient further to amend the Madras Registration of Births and Deaths Act, 1896, for the purposes hereinafter appearing;

1. Ord. 2,
N. 2.

AND WHEREAS the Governor of Madras has, by a Proclamation under section 93 of the Government of India Act, 1935, assumed to himself all powers vested by or under the said Act in the Provincial Legislature; Now, THEREFORE, in exercise of the powers so assumed to himself, the Governor is pleased to enact as follows:—

1. This Act may be called the Madras Registration (Amendment) Act, 1941.

17-A-1

[1]

Substitution
of new sec-
tion for
section 16,
Madras Act
115 of 1909,
Registration
of Births and
Deaths.

2. For section 16 of the Madras Registration of Births and Deaths Act, 1909 (hereinafter referred to as the said Act), the following section shall be substituted, namely:—

Madras
115 of 9

"16. Where the birth of any child has been registered without a name, the parent or guardian of such child shall, within thirteen months of the date of its birth, give information regarding the name of the child to the registrar either orally or in writing, and thereupon the registrar shall enter such name in the register and initial and date the entry."

Amendment
of section 16,
No. 115 Act
of 1909.

3. In clause (1) of section 18 of the said Act, for the word and figures "and 12", the figures and word "12, and 16" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

Under section 16 of the Madras Registration of Births and Deaths Act, 1909, which applies to non-municipal areas, the parent or guardian of a child which has been registered without a name may, within twelve months after the registration of its birth, require the registrar to enter the name of the child in the register. The entry of the child's name is thus optional and not obligatory on the part of its parent or guardian. In municipal areas however, such entry is obligatory. The Government consider it desirable that the entry of the child's name in the register should be made obligatory in non-municipal areas also. It is also considered desirable to alter section 16 so as to allow thirteen months from the date of the birth of the child for the registration of its name, for in many Hindu families a child is given a name either on the occasion of its first birthday celebration or on the occasion of its first being fed with rice which ceremony usually takes place about a year after its birth. Now section 16 substituted by clause 2 for the existing section gives effect to the above objects.

Clause 3 of the Bill makes a consequential alteration in section 18 (1) of the Act.

(By order of His Excellency the Governor)

P. APPU NAIR,

Secretary to Government, Legal Department.
